REPORT AND RECOMMENDATION

Pursuant to W.D. MICH. L. CR. R. 11.1, I conducted a plea hearing today in the captioned case, after receiving the written consent of defendant Arayshia Marie McBride and all counsel. There is no written plea agreement. Government counsel orally agreed to ask the Court to dismiss Count 2 of the Indictment at sentencing in exchange for defendant's guilty plea to Count 1.

At the hearing, defendant entered a plea of guilty to Count 1 of the Indictment, charging her with making a false statement to the United States Marshal Service, in violation of 18 U.S.C. § 1001(a)(2). On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

Accordingly, I recommend that defendant's plea of guilty to Count 1 of the Indictment be accepted, and that the court adjudicate defendant guilty. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.
